

Technical Bulletin

LubriKup Style 6444/544 DURATUFF® Fluid Seal Cone Packing

Material

HNBR Rubber (Top & Bottom)

HNBR Rubber Reinforced with Cotton Fabric (Centers)

Recommended for use against

Acids, aliphatic solutions, alkalize, amines, hydrogen sulfide, steam water, water glycol, and water in oil

Abrasion Resistance

Great

Heat Resistance

Very Good

Service Temperature

Minimum

-30°F (-34°C)

Maximum

+325°F (+163°C)

3/2023
