GARLOCK Styles 660 & 681 STORAGE INSTRUCTIONS

- 1.) Store in a cool, dry area.
- 2.) Do not expose to greases, oils, or solvents in liquid or vapor form.
- 3.) Prevent exposure to ultra-violet (UV) rays (direct sunlight, strong fluorescent lights).
- 4.) Do not store near devices which produce Ozone (O₃).
- 5.) Following extended storage, carefully inspect the material for damage.
- 6.) If in doubt concerning any of the above provisions, consult the factory.
- 7.) No other storage requirements above ANSI N45.2.2 are necessary.

SHELF LIFE FOR VEGETABLE FIBER/CORK SHEET IS 3-5 YEARS, BASED ON ABOVE STORAGE CONDITIONS.
